### SERIES CONCEPT

Park Supervisors plan, organize, oversee and participate in the administration, law enforcement, maintenance, interpretive programs and resource management of an assigned State park.

Develop and administer the park budget; prepare and submit budget proposals and project needs; plan and approve purchases; and establish and monitor spending plans.

Train, supervise and evaluate the performance of assigned personnel; develop work programs and performance standards; delegate and review assignments; counsel staff and take disciplinary action as appropriate; and coordinate special work programs with community organizations, volunteers and federal, State and local agencies.

Prepare and submit reports on all aspects of park operation and maintenance; attend public, agency and interagency meetings; manage equipment and property inventories; may administer leases, concessions and management agreements; monitor construction projects; develop and maintain the park's operational plan; oversee employee and visitor safety programs; and manage employee residences.

Oversee the collection of park user fees; review permit transactions and deposits; develop and implement collection policies and procedures; and ensure proper collection and accounting for park revenues.

Provide park services to enhance the park experience for visitors; plan and implement special programs and events; delegate interpretive assignments and provide technical assistance; review and evaluate program quantity and quality; administer sales outlets; and make public information available.

Oversee and participate in the park law enforcement program; assess needs and determine training and proficiency levels; implement emergency management plans as needed; and ensure compliance with State law and Division policy to preserve the peace and protect the public and park resources.

Manage the park's natural and cultural resources; identify resource problems and formulate solutions; and effectively utilize resource management practices to preserve and maintain the park resources.

Plan, organize and manage the park maintenance program; develop goals and objectives; establish priorities and coordinate maintenance and repair projects; formulate equipment and vehicle servicing plans; oversee and participate in the custodial care of park buildings and facilities.

Perform related duties as assigned.

## CLASS CONCEPTS

**Park Supervisor III:** Positions allocated to this class supervise a State park which requires advanced level park management skills due to a combination of factors including the extent of park facilities, visitor attendance, user fees, physical acreage, permanent and seasonal staff supervised, and complexity of operation. Additional complexity results from the Park Supervisor's responsibility for concessions, special patrol and protection requirements, diversified programs, services offered and varied recreational activities. The Park Supervisor III is distinguished from the Park Supervisor II by responsibility for managing special park features which may include complex maintenance and resource protection programs, sophisticated water and sewer systems, visitor centers, historical sites, special use facilities, and multiple fee collection points.

**Park Supervisor II:** Positions allocated to this class supervise a State park which requires park management skills due to a combination of factors including the extent of facilities, visitor attendance, user fees, physical acreage, permanent and seasonal staff supervised, and complexity of operation. The Park Supervisor II is distinguished from the Park Supervisor I by responsibility for concessions, special patrol and protection requirements, diversified programs and services offered, and varied recreational activities.

**Park Supervisor I:** Positions allocated to this class perform the full range of duties outlined in the series concept. The complexity of park operation is somewhat limited and is determined by a combination of factors including the extent of facilities, visitor attendance, user fees, physical acreage, and staff supervised.
